Dear Dr. Bell,

Lanier High is very excited about participating in the after-school programs offered by PIP Start. Your Galatia and Relationship Salsa 4 Life programs incorporate physical fitness as well as character skills that would be beneficial to our diverse population. Many of our students' parents work leaving them on their own until the evening hours. These programs will be offered in a safe environment and give students opportunities to engage in productive and worthwhile activities.

We look forward to the beginning of a long and successful partnership between our students and PIP Start.

Sincerely,

Edmund R. Oropez
