Emergency Contact number: _____

Personal Assumption of Risk of Injury and Responsibility & Release of Liability (A parent or legal guardian must also sign)

I understand that participating in a program of training in science and engineering projects under the instruction of Pip Start Ministries - Master Builder is physical in nature and involves the risk of injury. I hereby acknowledge that I am physically capable of performing the experiments required in this program. I also affirm that I am covered by health insurance and/or other insurance, which will cover any costs of personal injury on or off the premises of instruction that I might receive while participating in projects, training & instruction from Master Builder, or that I have the financial capability to personally cover any such costs. I will not hold Agape Family of Churches, Master Builder Projects, Pip Start Ministries, Ronald Bell, the instructors, their families, agents, employers, or insurance companies liable or responsible for any injury received in or related to Projects training that I receive under the instruction of Master Builder. I will not hold Master Builder responsible for my behavior or activity whether in class or elsewhere. On occasion, photos may be taken during class or demonstrations. Pip Start Ministries reserves the right to use images from photos, etc. in the newsletter and/or website for use of publicity advertising and promotions of the ministry.

Master Builder

History:

- The 501 (c)(3) non-profit Master Builder began as **MOVES** in 1995
- Worked with K-16 school & community partners
- Presented an average of 100 plus programs yearly to young people in more than 50 educational and community organizations in Texas, Arizona, and Missouri
- Focused on problem solving, creativity and teamwork skills with the students
- Also provided curriculum enhancements, training & consulting
- MOVES refocused to Master Builder in 2002
- Master Builder after classes since 2003

Techniques:

- Design, Build, Test Engineering Projects
- Knowledge, Understanding & Wisdom
- Teamwork, Creativity & Problem Solving
- Presentations, Technology & Journals

Growing and Serving Youth for Leadership

For Public School Students

MISSION

**Teaching youth math, science
and character through hands-on
engineering projects.**

pipstart.org/masterbuilder.htm

MASTER BUILDER Pledge

I am designed for a purpose
I am build for greatness
I am tested for completeness
I am wonderfully made

Classes

Galindo Elementary

Tuesdays 3pm-4:15pm

Master Builder

What do we do?

We conduct after school character, math, science and engineering hands-on projects for grades 3-5 and 6-8. Each project has a character theme, is tied to the Texas and National math/science standards and tied to branches of engineering. There are six semesters of curriculum for grades 3-8.

What can I expect?

Create ideas, compete for prizes, make friends, enjoy games, and learn character for leadership, design-build-test projects that roll, fly & float

Sample Classroom format

- Review & Warm-up
- Character, Math & Science concepts
- Challenge to team design, build & test
- Review games & other interactive math, science and character building activities

Increases From Program:

- Character understanding & skills
- Math knowledge & standardized test scores
- Science understanding and connections

Sample topics:

- Math - angles, average, slope, percent
- Science -force, energy, voltage
- Character - self-control, patience
- Engineering - civil, electrical, mechanical

Master Builder is a subsidiary of Pip Start - a 501c(3) tax exempt organization
